

Tyler Nicholas

SUMMARY

Motivated and aviation-focused student currently at École Française des Seychelles, studying through CNED and preparing for the French Baccalauréat with specialisations in Mathematics, Physics-Chemistry, and English. Experienced in leadership and teamwork through school councils, including Class Delegate, Eco-Delegate, Student Life Council, and Vice President/Treasurer of the School Council. Founder and operator of Emirates Group Roblox, managing realistic virtual flight operations and team coordination. Skilled in flight operations, guest services, and flight simulation (Microsoft Flight Simulator, VATSIM), with knowledge of aviation terminology, procedures, and safety standards. Passionate about aviation, flight simulation, plane spotting, technology, coding, web development, and community management via Discord. Ambitious to pursue a career as a commercial pilot.

EXPERIENCE

Owner & Founder Emirates Group Roblox - Remote United States
12/2023 - Current

Founded and led a large-scale virtual aviation organisation, managing operations, recruitment, events, and flight systems to deliver realistic aviation experiences.

Guest Services Intern Air Seychelles - Victoria, Seychelles
06/2025 - 06/2025

Assisted passengers, handled inquiries, and supported ground staff to ensure smooth airport operations.

Operations Control Center Intern Air Seychelles - Victoria, Seychelles
02/2024 - 02/2024

Monitored flight operations, coordinated with crews and ground teams, and supported on-time performance.
